

## PAEDIATRIC RHEUMATOLOGY BOOTCAMP 2024 COURSE OVERVIEW

	<b>Week 1-JIA Module July 1<sup>st</sup>-July 7<sup>th</sup> 2024</b>	<b>Week 2-SLE Module July 8<sup>th</sup>-July 14<sup>th</sup></b>	<b>Week 3-JDM Module July 15<sup>th</sup>-July 21<sup>st</sup></b>	<b>Week 4-Vasculitis Module July 16<sup>th</sup>-July 28<sup>th</sup></b>
<b>Monday</b>	Overview lecture on diagnosis and management of Juvenile Idiopathic Arthritis-  (Live Discussion 6pm-7.30pm)	Overview lecture on diagnosis and management of Systemic Lupus Erythematosus-Live Lecture (Live Discussion 6pm-7.30pm)	Overview lecture on diagnosis and management of Juvenile Dermatomyositis  (Live Discussion 6pm-7.30pm)	Overview lecture on diagnosis and management of Vasculitis  (Live Discussion 6pm-7.30pm)
<b>Tuesday</b>	JIA Assignment and submission via students portal	SLE assignment and submission via students portal	JDM assignment and submission via students portal	Vasculitis assignment and submission via students portal
<b>Wednesday</b>				
<b>Thursday</b>	Case based discussion and review of assignment  (Live discussion 6pm-7.30pm)  Review of diagnostic and management algorithms in Juvenile Idiopathic Arthritis  (Live Discussion 6pm-7.30pm)	Case based discussion and review of assignment  (Live discussion 6 pm-7.30pm)  Review of diagnostic and management algorithms in Systemic Lupus Erythematosus  (Live discussion 6pm-7.30pm)	Case based discussion and review of assignment.  (Live Discussion 6pm-7.30pm)  Review of diagnostic and management algorithms in Juvenile Dermatomyositis  (Live Discussion 6pm-7.30pm)	Case based discussion and review of assignment.  (Live Discussion 6pm-7.30pm)  Review of diagnostic and management algorithms in Vasculitis  (Live Discussion 6pm-7.30pm)
<b>Friday</b>	Review of landmark and latest research papers in diagnosis of Juvenile Idiopathic Arthritis  (Via chat module in virtual academy)	Review of landmark and latest research papers in diagnosis of Systemic Lupus Erythematosus  (Via chat module in Virtual Academy)	Review of landmark and latest research papers in diagnosis of Juvenile Dermatomyositis  (Via chat module in Virtual Academy)	Review of landmark and latest research papers in diagnosis of Vasculitis  (Via chat module in Virtual Academy)

<b>Saturday</b>	Review of landmark and latest research papers in management of Juvenile Idiopathic Arthritis  (Via chat module in virtual academy)	Review of landmark and latest research papers in management of Systemic Lupus Erythematosus  (Via chat module in virtual academy)	Review of landmark and latest research papers in management of Dermatomyositis  (Via chat module in virtual academy)	Review of landmark and latest research papers in management of Vasculitis  (Via chat module in virtual academy)
<b>Sunday</b>	Module summary with key learning points	Module summary with key learning points	Module summary with key learning points	Module summary with key learning points
<b>August 1<sup>st</sup> 2024- August 25<sup>th</sup>2024</b>	Personalized Discovery Calls with Participants			
<b>August 26<sup>th</sup></b>	Bonus Lecture on Interpretation of Musculoskeletal Radiological Investigations			
<b>August 29<sup>th</sup></b>	Virtual Graduation Ceremony			

## KEY BENEFITS

By attending our bootcamp you shall:

1. Be able to effectively make the right initial diagnosis and equally initiate the right management for our paediatric rheumatology patients.
2. Have the prerequisite skills to be able to distinguish the TOP 4 paediatric rheumatic diseases in children and their mimics while appreciating the vast and fascinating spectrum of paediatric rheumatology.

In addition, we have created some amazing **Bonuses** as follows:

1. Diagnosis sheets for the common paediatric rheumatology conditions.
2. Management algorithms for the common paediatric rheumatology conditions.
3. Lifetime access to virtual support group.
4. Our YouTube Channel for educational material.
5. Self-assessment tool to determine learning needs.
6. Platform to discuss challenging cases.

## FAQ's

1. Do I have to sign up for all courses?

No, you can select the courses that you prefer.

2. What are the dates and times for the live lectures?

Mondays and Thursdays 6pm to 7.30pm East African Time
